Hi! I saw your post about the flat on Radziszewskiego — is one of the rooms still free?

14:02 ✓

Hi! Yes, both rooms are still available from 1 October.

14:05

Great. Is the 1100 zł really everything, or are bills counted separately in winter?

14:06 ✓

Everything is included — heating, water, electricity and internet. The only extra is a one-month deposit.

14:09

14:10

Sure, I can show you the flat on Thursday after 17:00 if that works for you?
